

ARESPECTABLE ENGINEERING & CONTRACTING COMPANY

Company Profile

www.albadeelnet.com

VISION

We aim to revolutionize the contracting industry in the Kingdom of Saudi Arabia by facilitating a seamless link between our clients and unparalleled expertise in structural, infrastructural, architectural, MEP execution works, and we are passionate to be a big and effective part of Saudi Arabia's 2030 Vision.

MISSION

our mission is resolute: to deliver unrivaled quality and set new industry standards within tight timelines, a feat that is rarely accomplished in our field.

We refuse to settle for meeting our clients' expectations; instead, we aim to surpass them, establishing a new benchmark for excellence in the contracting industry.

VALUES

we are wholly dedicated to serving our clients throughout every stage of their project's journey.

We take immense pride in our ability to consistently provide exceptional results that ensure our custom complete satisfaction.

HEALTH, SAFETY, & ENVIRONMENT

We prioritize the well-being of our employees, subcontractors, clients, and visitors, embodying a culture that places safety above all else.

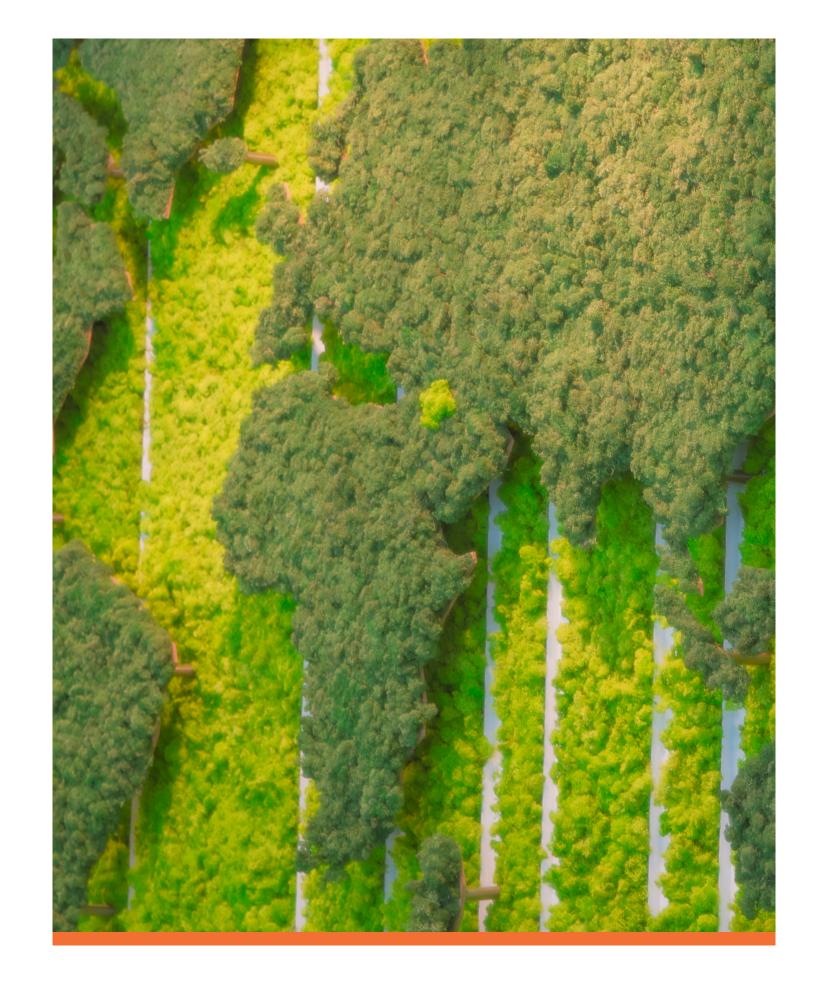

Our commitment to safety in the construction industry encompasses various initiatives, including comprehensive fall protection programs, on-site training, and educational programs.

We equip our employees and subcontractors with the necessary tools, knowledge, and resources to enhance safety, mitigate risks, and enhance loss control on every project we undertake. To ensure the highest levels of safety, our Safety Management Team, located at our head office, maintains a vigilant oversight on all active projects on a daily basis and conducts frequent site visits.

Our management regularly reviews health and safety procedures to ensure its alignment with the best and latest industry practices.

In addition to safeguarding the well-being of our workforce, we also prioritize environmental welfare. We take practical measures to minimize any adverse impact that our work may have on the environment.

By incorporating responsible practices, we strive to achieve a harmonious balance between our operations and the preservation of our natural surroundings.

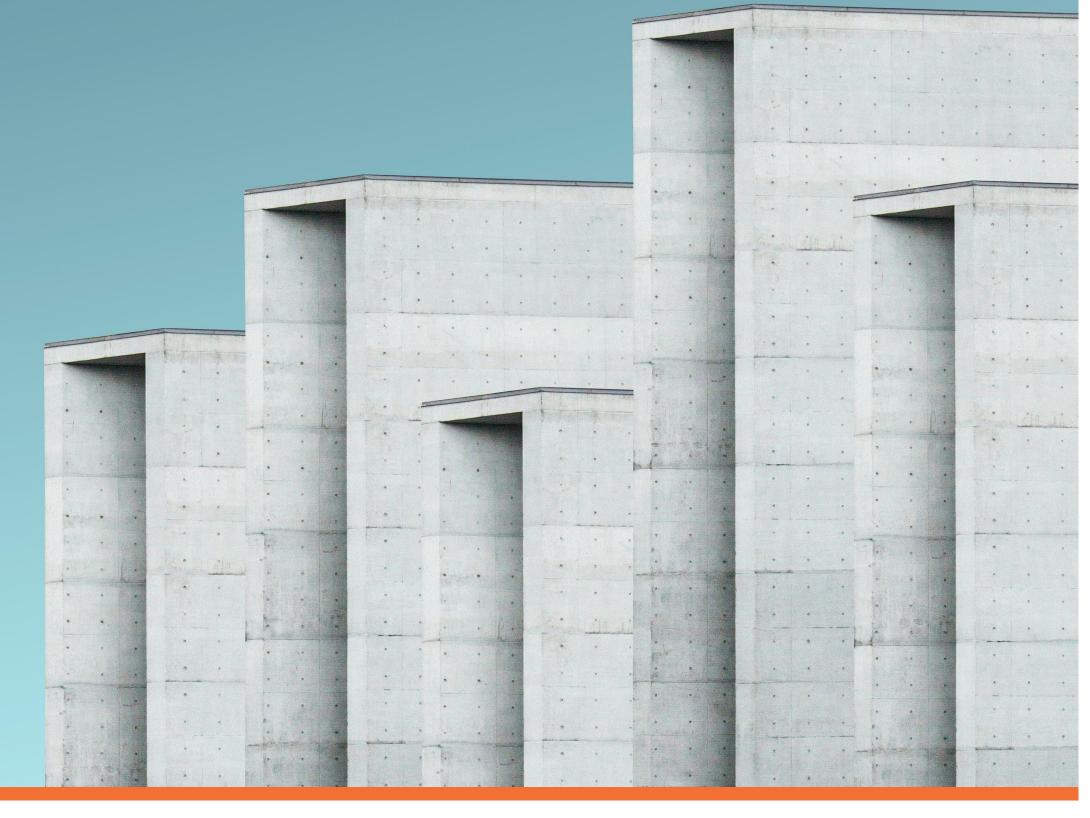

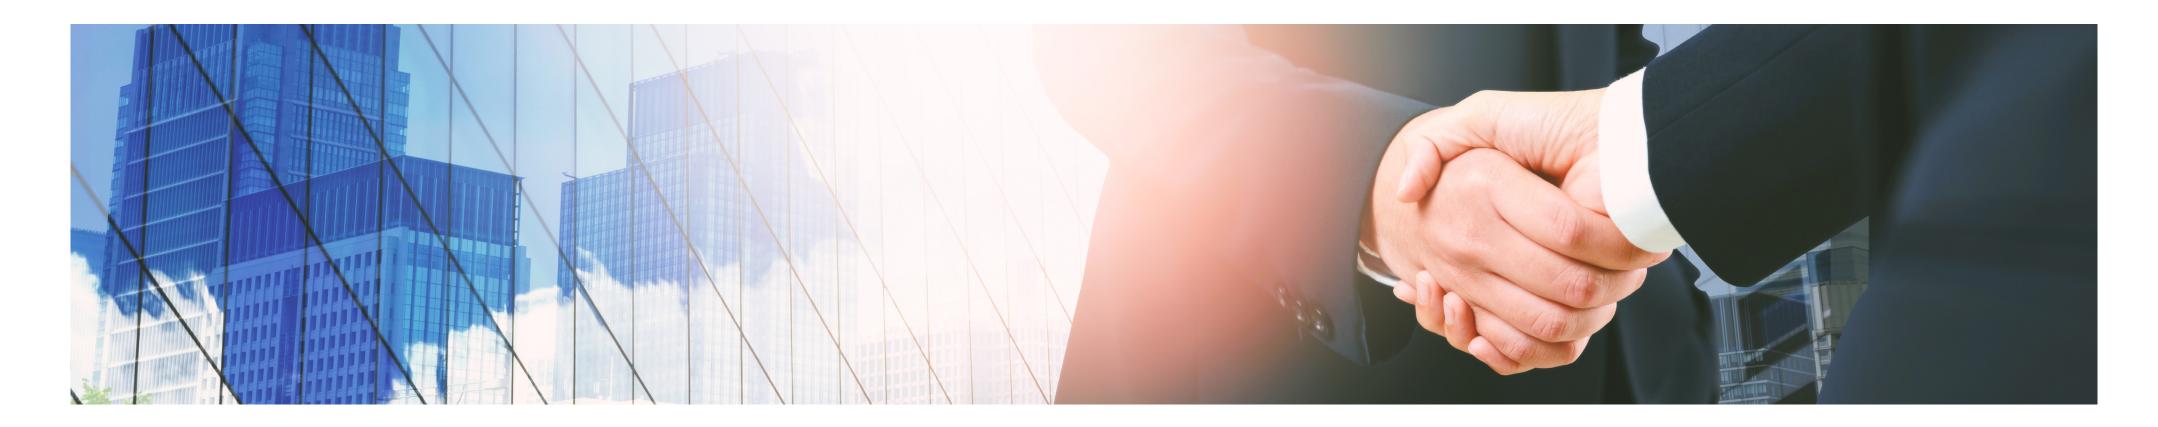

QUALITY

The achievements we have attained at Al-Badeel are a direct outcome of our diligent work ethic, technical proficiency, extensive experience, and unwavering commitment to upholding the most stringent quality assurance and quality control (QA/QC) standards.

We are proud to state that Al-Badeel is fully compliant with ISO 9001:2015 requirements, and our dedicated QA/QC team diligently follows a rigorous program of testing and inspection.

INTEGRITY & ETHICS

At Al-Badeel, we uphold the values of integrity and ethics in all aspects of our operations. We believe in transparency, conducting our business deals with honesty and openness.

We are committed to honoring our promises and treating everyone with respect, fostering a culture of trust and accountability.

LOYALTY & DEVOTION

Loyalty is a fundamental value that guides our interactions both internally and externally.

We prioritize the protection of the interests of all parties involved in our business, including stakeholders within and outside Al-Badeel. We strive to build long-term relationships based on mutual trust and cooperation, recognizing the importance of collaboration among various disciplines.

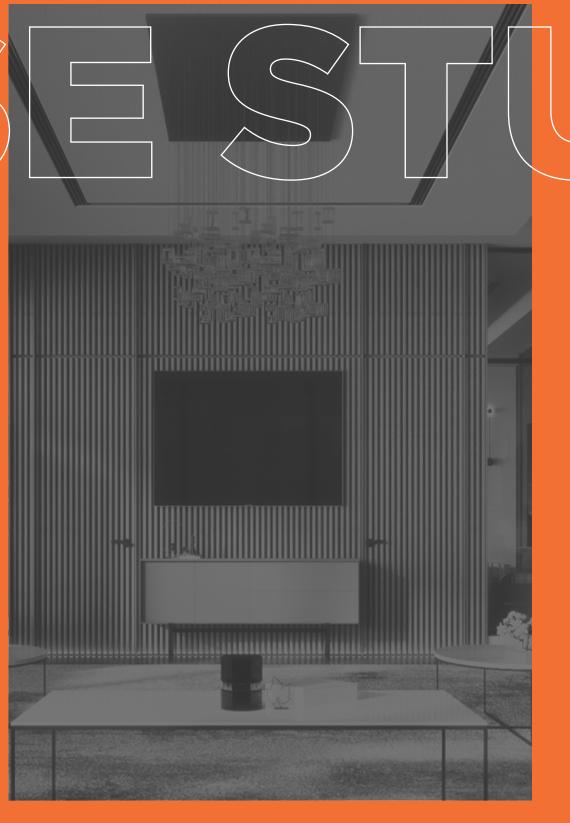

TRUST & COMMITMENT

Trust is the cornerstone of our relationships. We value and prioritize abiding by our commitments, consistently delivering on our promises.

We aim to foster solidarity and unity among our staff and third parties, creating an environment built on trust and reliability.

MANAGMENT TEAM

At our company, we take immense pride in assembling a team of highly skilled professionals who possess a wealth of knowledge and expertise in the construction Industry.

We place great emphasis on hiring individuals who are not only accomplished but also deeply committed to the vision of our business. From the partners to every team member, we work cohesively to fulfill our overarching goal of delivering excellence in every project we undertake.

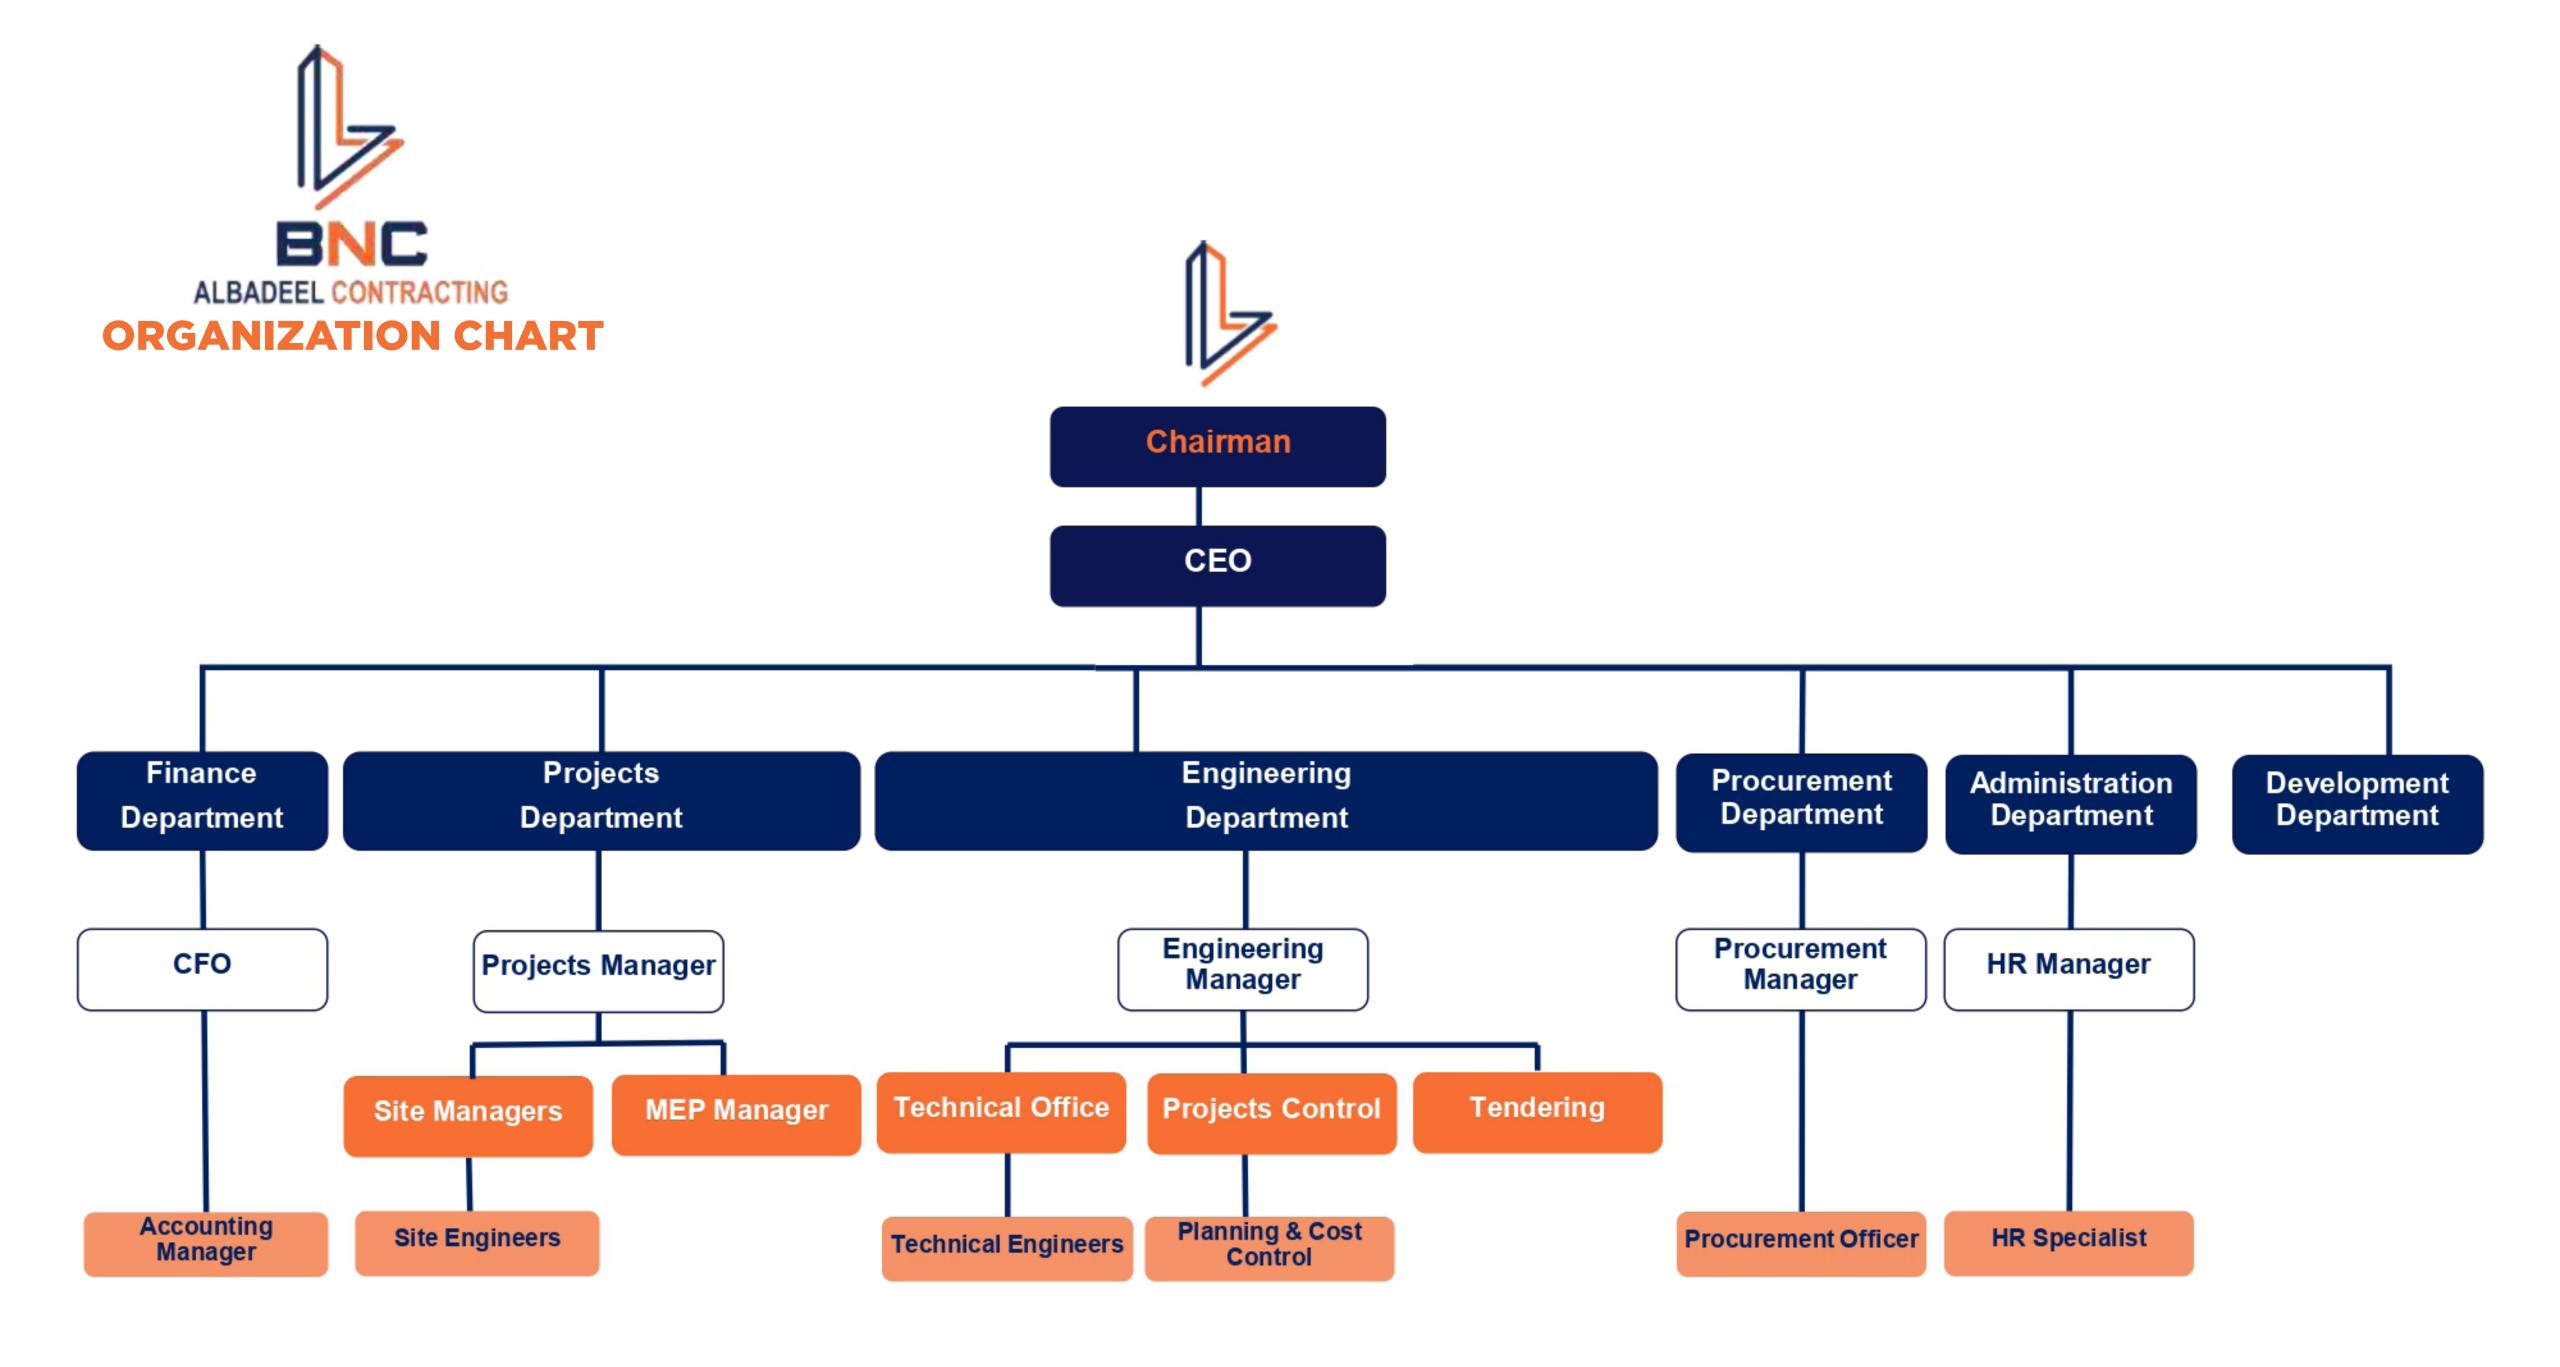

ENGINEERING TEAM

Our engineering department consists of highly skilled engineers and professional craftsmen who possess the expertise and willingness to support and coordinate all aspects of a project. From design study and value engineering (VE) to engineering development of shop drawings, our team is well-equipped to handle the technical requirements.

CONSTRUCTION TEAM

Our construction team represents a new generation of passionate engineers who bring abundant talent and enthusiasm to the construction industry. They are well-educated and extensively trained, aligning themselves with our firm goals and perspectives.

With their dedication and expertise, they strive to deliver exceptional results and uphold the standards we have set for

MANPOWER

The workforce constitutes %85 of our firm's human resources, serving as the cornerstone upon which our success is built.

In close collaboration with the construction team, our Top Management places great emphasis on closely monitoring and supporting our workforce.

We provide comprehensive training programs to enhance their skills and expertise while attending to their well-being. We firmly believe that the human element lies at the heart of all our endeavors, and by nurturing and empowering our workforce, we guarantee the best possible results.

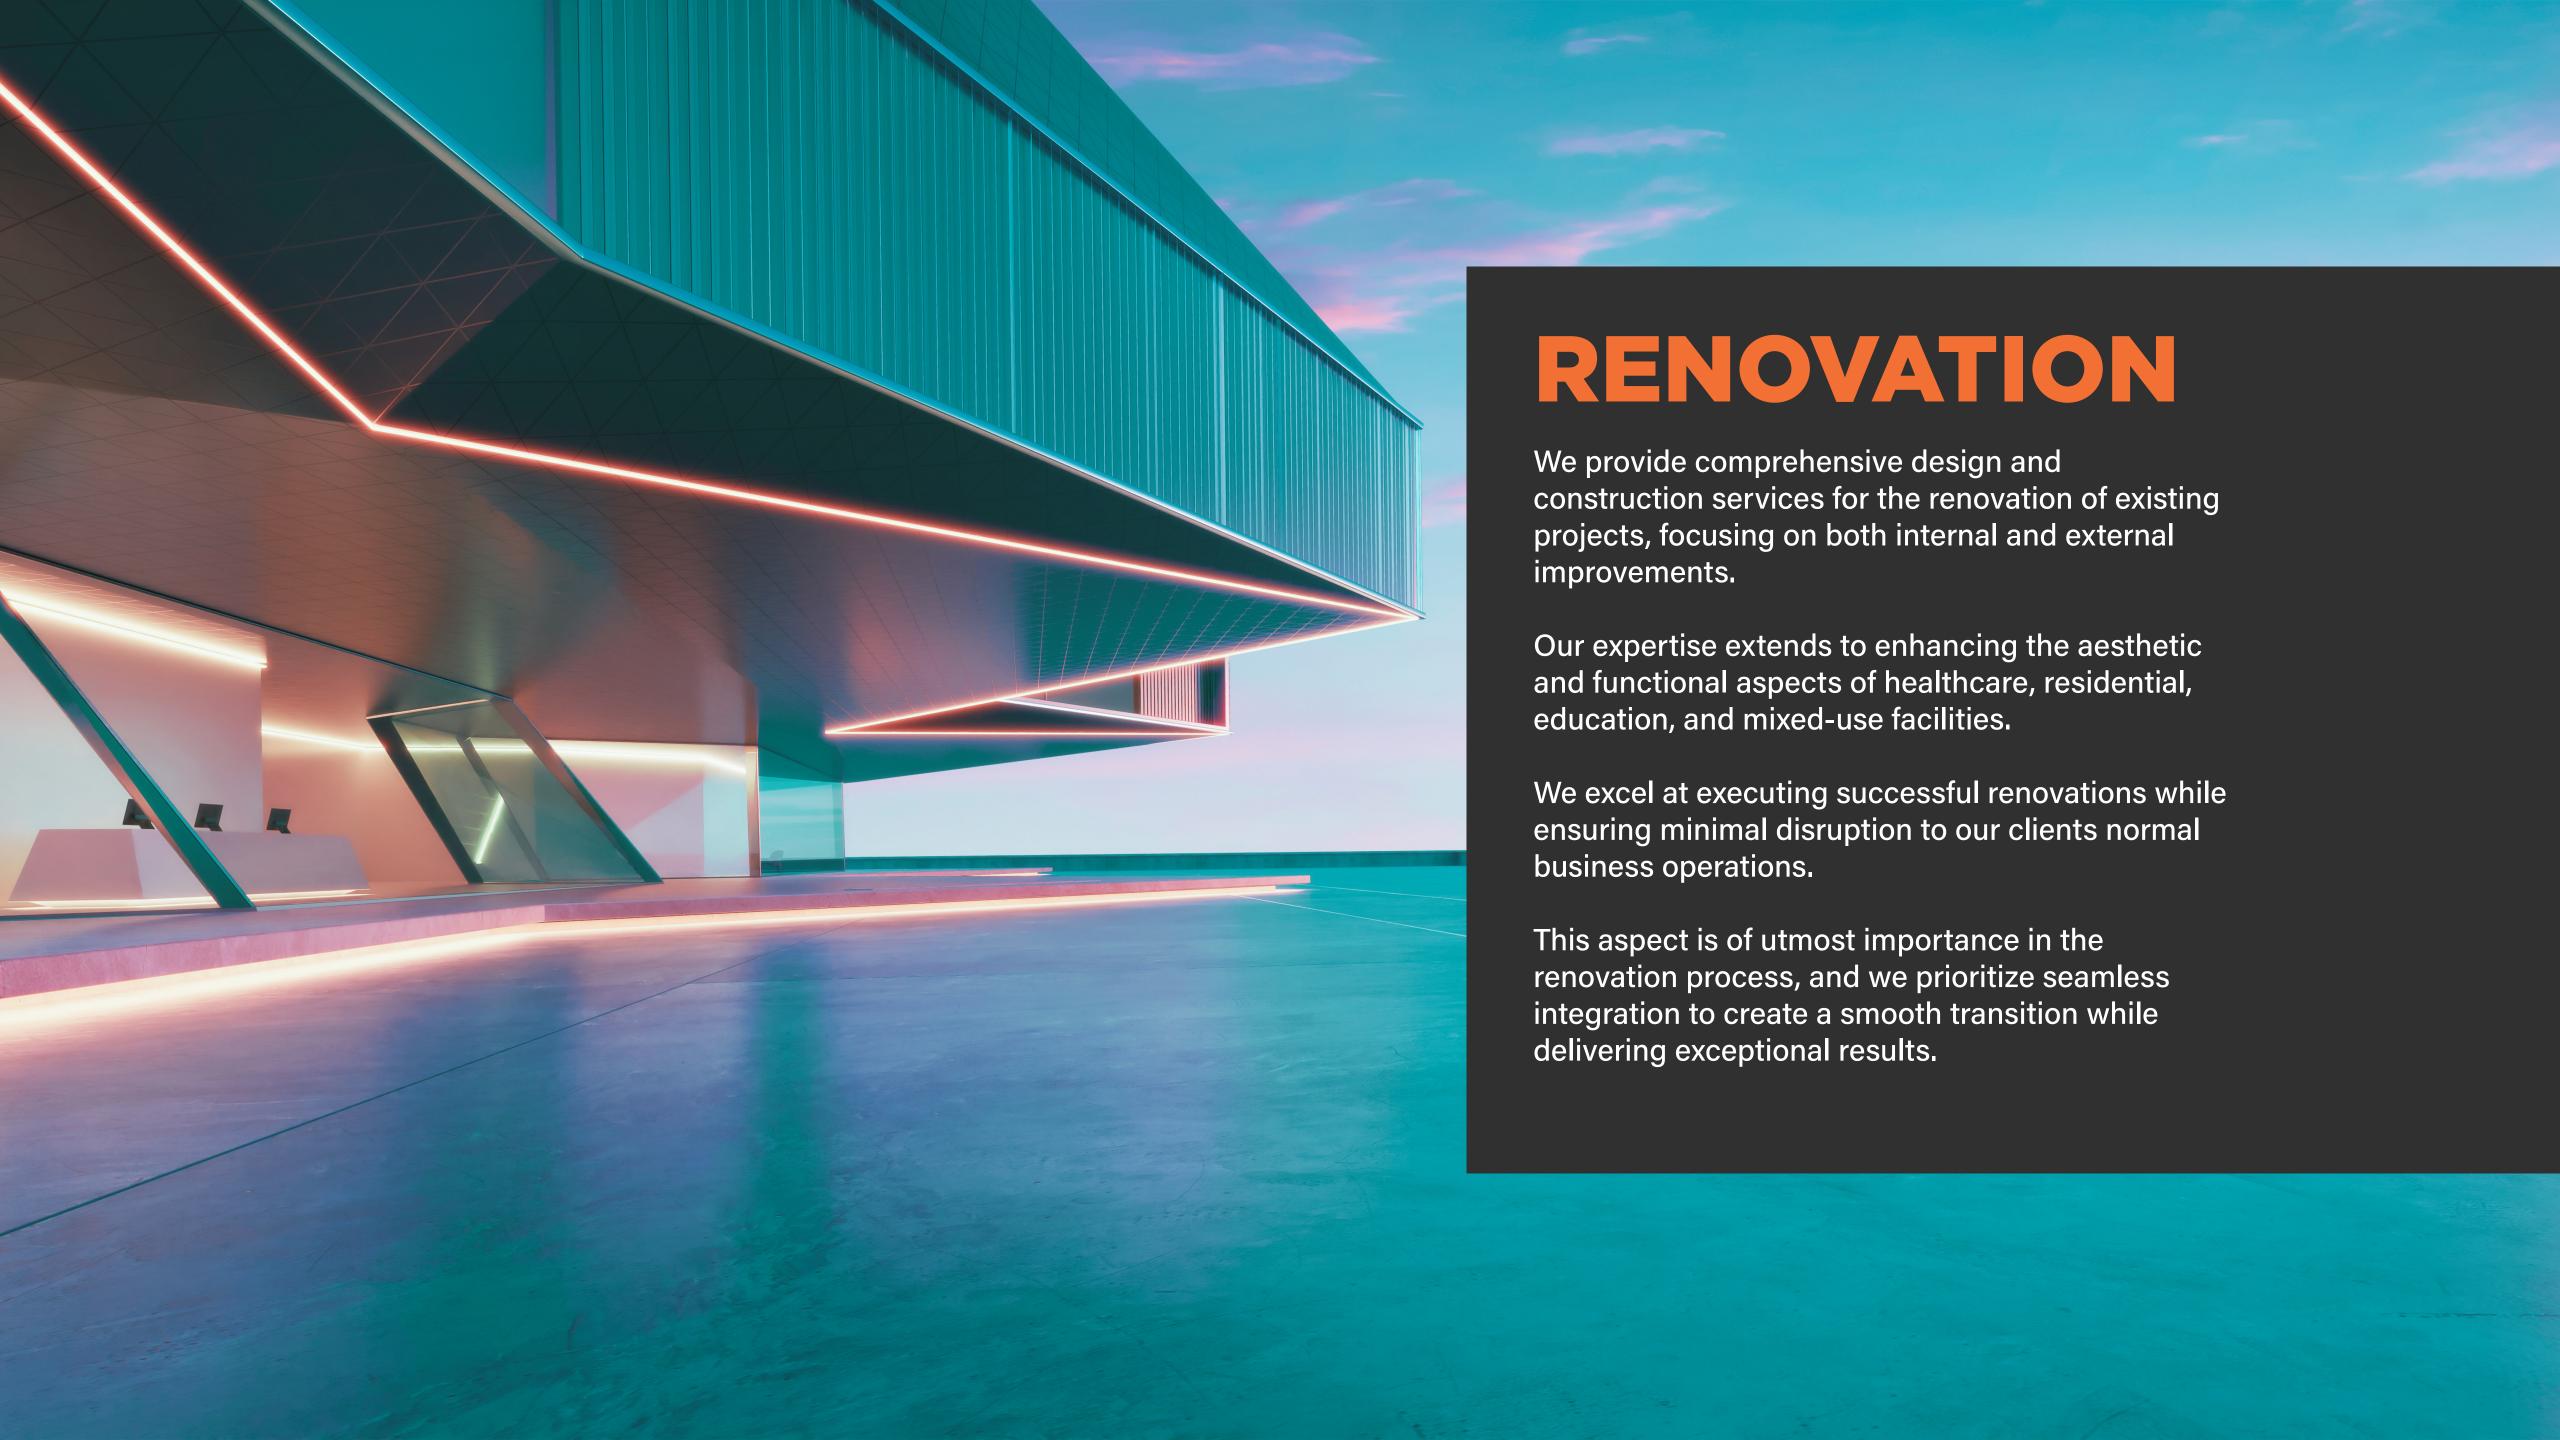

"It is a great honor to be a part of the architectural revolution that is taking place in the Kingdom, We have an enthusiastic team work and has a lot to do."

ENG. REDA ABD EL KADER

"The Saudi market is an open and diverse market, which give us the freedom to innovate and do our best, our work team is always in a race against the time, so our goal has been to provide the highest quality and standards within a minimal time frame"

We take pride in our efficient procurement practices as we source, schedule, and expedite the acquisition of all project requirements from our trusted procurement affiliates worldwide.

Our dedicated procurement department is composed of highly experienced professionals who bring a wealth of knowledge to the table.

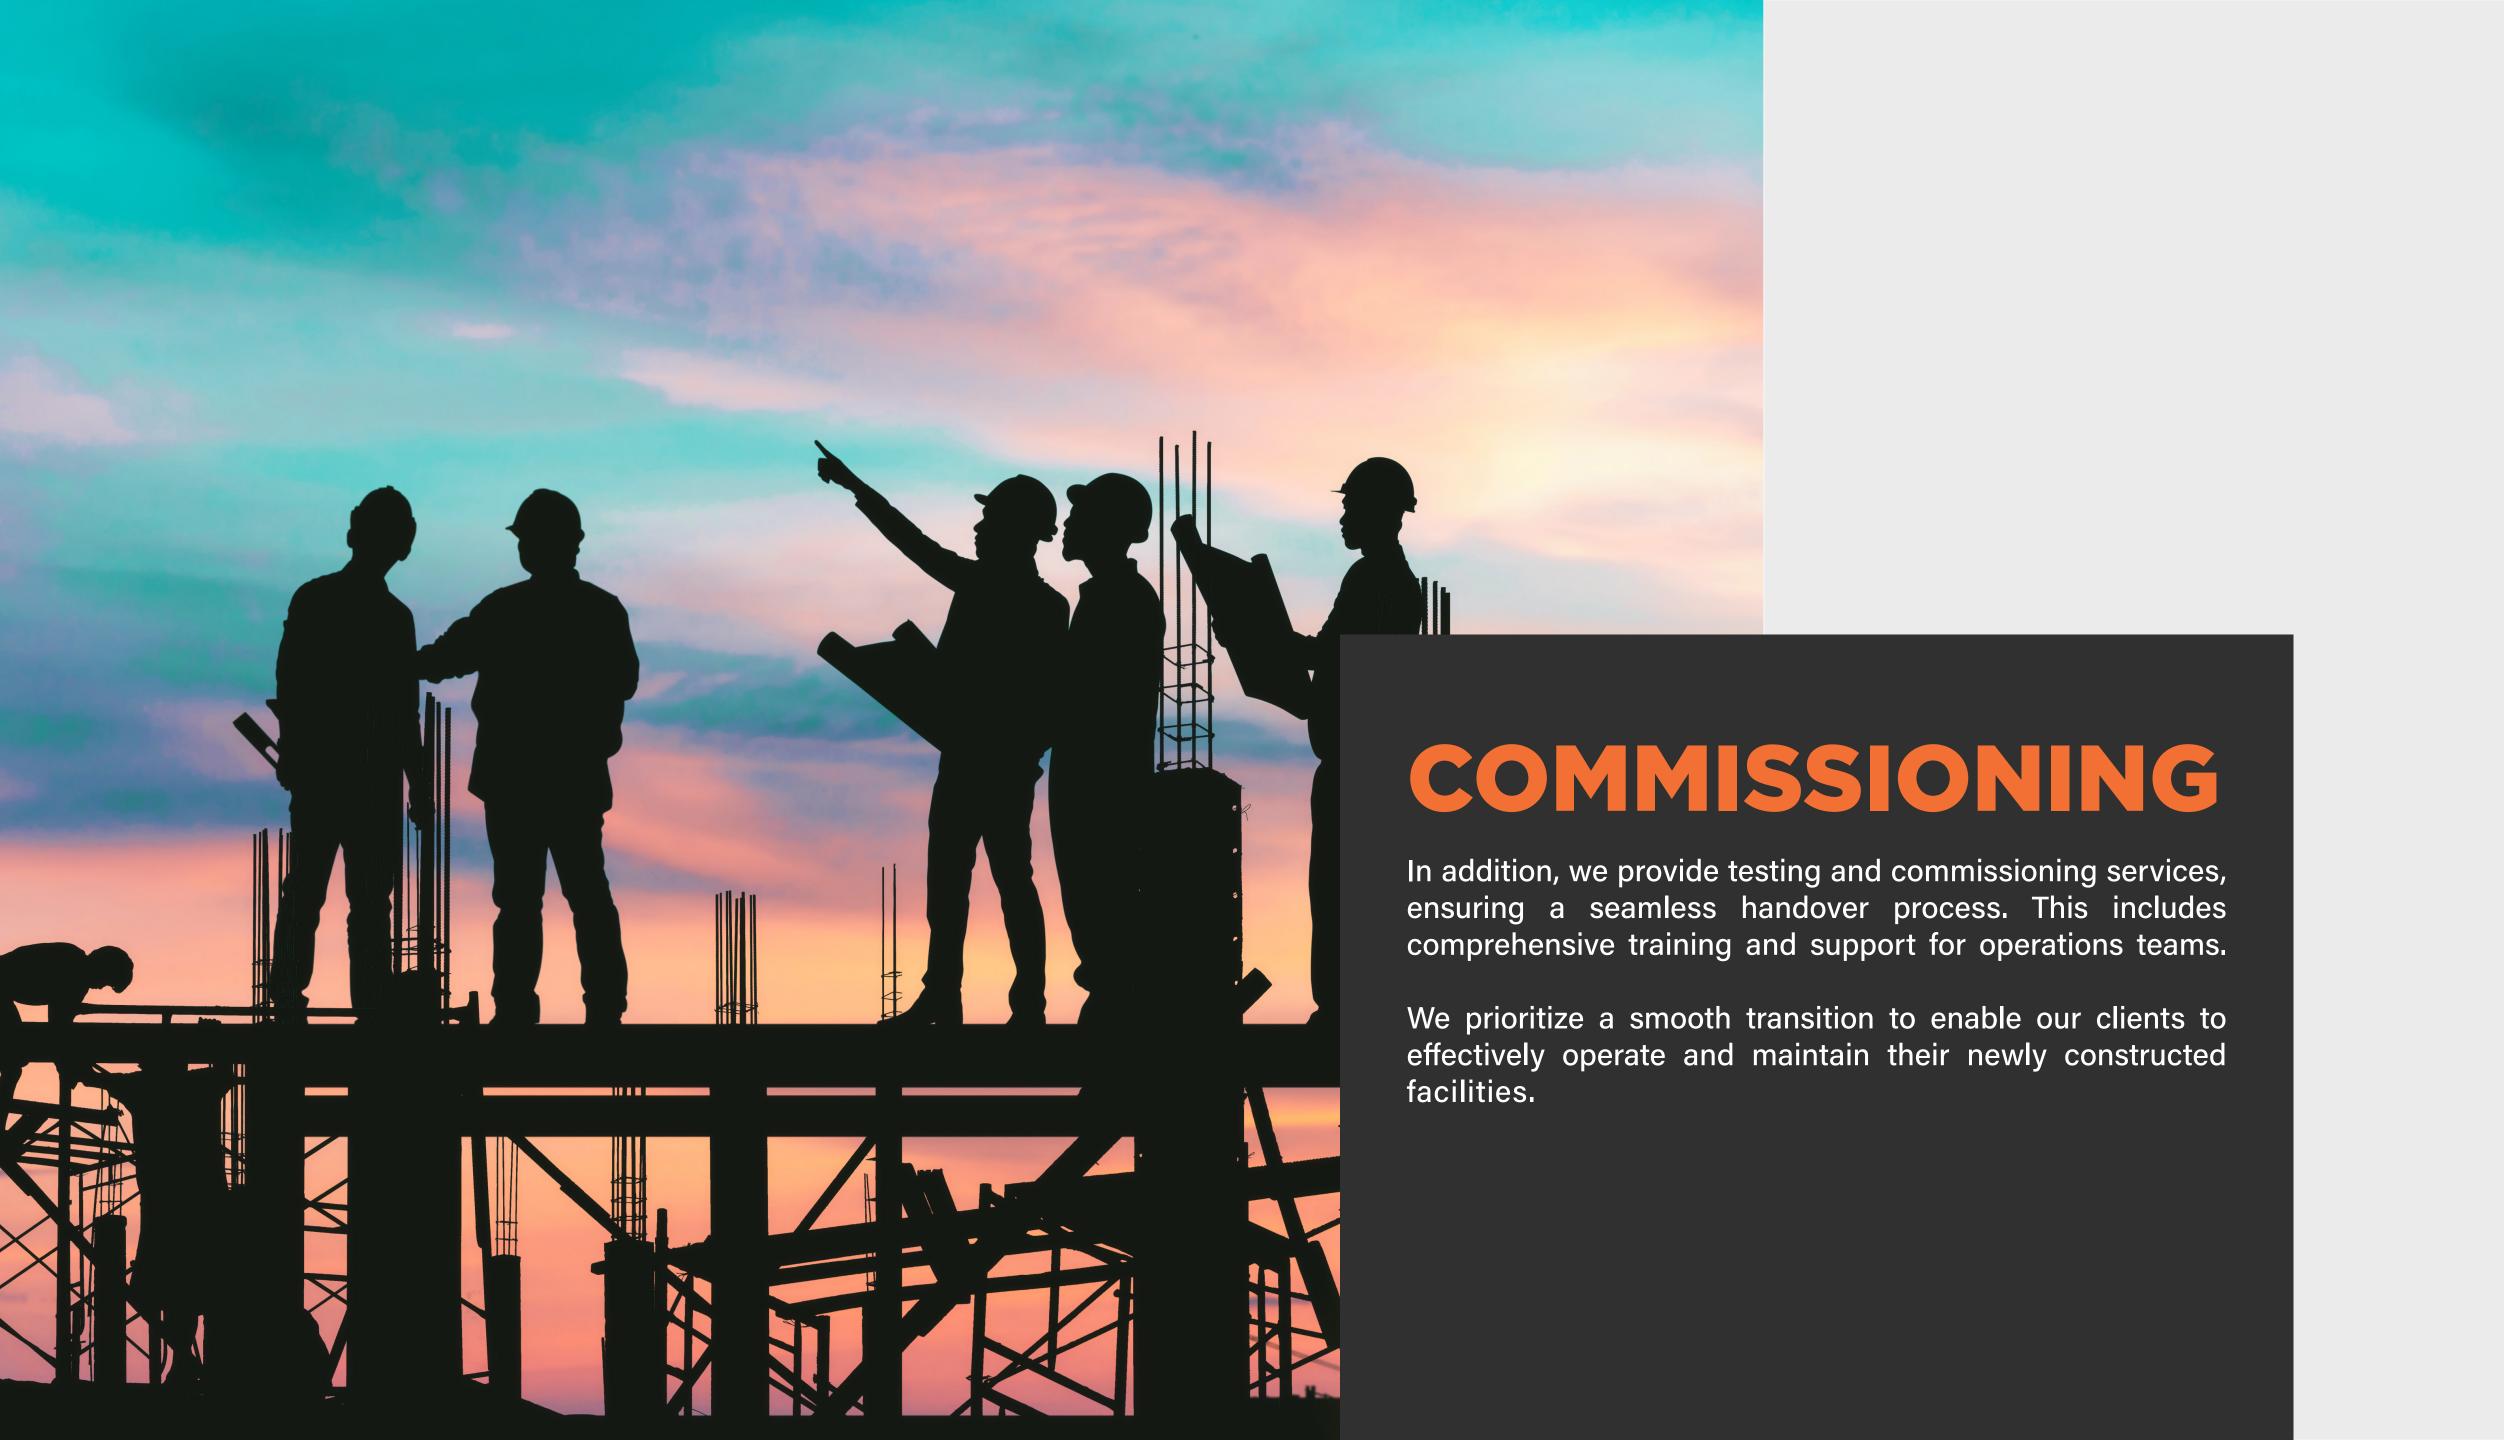

Their unwavering commitment ensures that we secure the necessary resources and materials in a timely manner, allowing for the smooth progress of our projects.

CONSTRUCTION

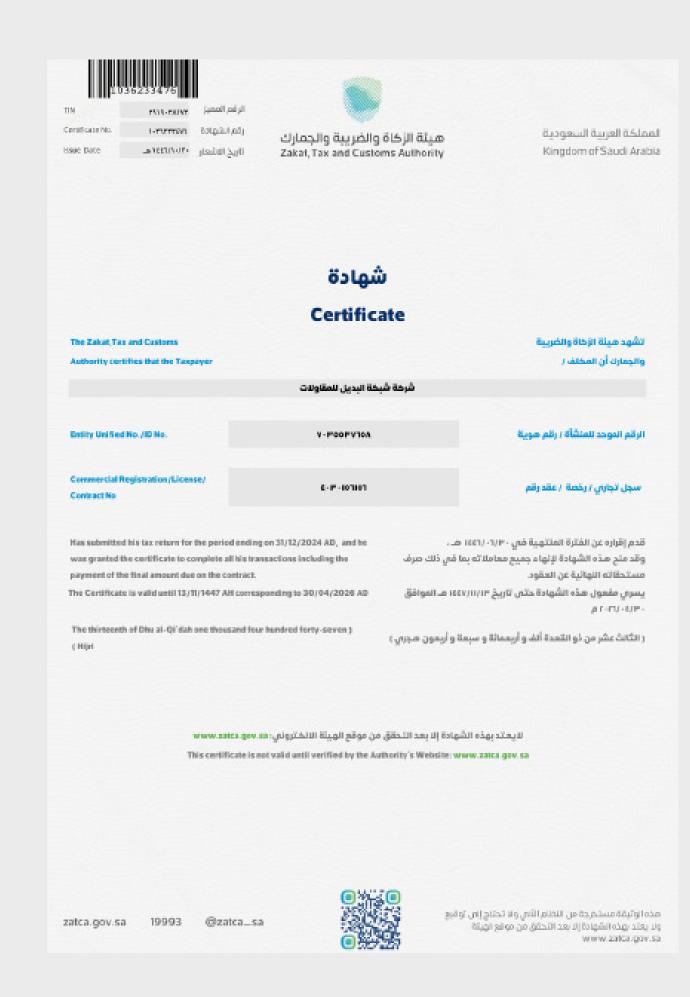

Al-Badeel is an ISO-certified contractor that offers world-class construction services as a comprehensive solution provider to clients across the middle east Region. As we specialize in healthcare, residential, education, and mixed-use projects, we understand the criticality of selecting the right team and optimizing job site layouts for maximum efficiency and safety.

Our pre-construction teams work collaboratively to define the overall construction approach, schedule, and purchasing methodology, all of which directly impact project costs, our dedicated Project Management team ensures responsible and comprehensive project planning throughout all stages of the project. This positions us to deliver complex and high-quality projects on time and within budget. Leveraging our extensive planning experience, we minimize scope duplication and enhance information flow during the design and construction processes.
