

MOHHAMAD IRSHAD KHAN

CIVIL SUPERVISOR OR FOREMAN | QC INSPECTOR CIVIL | 5+ YEARS EXPERIENCE

Govandi Shivaji Nagar,Mumbai | +91 7061095279 | mdirshadkhancivil07@gmail.com | Indian National

PROFESSIONAL SUMMARY

Dedicated Civil QA/QC Inspector & Site Supervisor with over 5+ years of experience across major infrastructure projects in Saudi Arabia and India, working with top contractors like L&T, Nesma & Partners, and Shapoorji Pallonji. Strong expertise in site execution, concrete quality checks, steel verification (BBS), and managing RFIs/NCRs in compliance with ASTM, and ACI standards. Proven ability to manage site crews of 30+ workers, resolve technical issues, and enforce strict HSE safety practices to ensure timely, A proactive communicator skilled at negotiating with client consultants, managing sub-contractors, and ensuring error-free project execution from ground excavation to structural completion, zero-defect project delivery.

KEY COMPETENCIES

Quality Assurance & Control: RFI/NCR Management, Inspection & Test Plans (ITP), Quality Control Plans (QCP), Concrete Pour Approval, Method Statements. Site Supervision & Execution: Bar Bending Schedule (BBS), Shuttering & Steel Inspection, Structural Layout, Soil Compaction, Foundation & Finishing Works.

Testing & Inspection: Concrete Slump & Cube Tests, Sieve Analysis, Field Density Test (FDT), Rebar Testing, Material Reconciliation. Codes & Standards: ASTM, ACI, IS Codes, HSE Safety Regulations.

Team & Site Leadership: Workforce & Labor Management (30+ Crew), Sub-Contractor Supervision, Daily Progress Reporting (DPR), Client Consultant Coordination.

PROFESSIONAL EXPERIENCE

QC Inspector Civil | Jan 2025 - June 2026

L&T Limited. ECC Division Engineering construction & Contract | Navi Mumbai, India

- Managed end-to-end civil QA/QC inspections for structural works, ensuring strict compliance with IS/ASTM standards and project specifications.

Processed Requests for Inspection (RFIs) and Non-Conformance Reports (NCRs), resolving quality issues in coordination with client consultants.

- Conducted pre-pour and post-pour inspections, verifying formwork alignment, steel reinforcement, and Bar Bending Schedules (BBS). Supervised site and lab material testing, including concrete slump tests, cube strength testing, and soil compaction analysis. Maintained accurate quality documentation, Material Inspection Reports (MIR), and daily logs for audit readiness.

CIVIL SUPERVISOR | Jan 2024 - Oct 2024

Nesma & Partner Neom Project | Sindalah, Saudi Arabia

- Supervised site excavation, soil compaction, structural formwork, and rebar steel placement per NEOM/Saudi Aramco standards.
- Managed large-scale concrete pours, shuttering alignment, and post-pour curing while maintaining high quality standards.
- Coordinated directly with QA/QC teams for site clearances, RFI approvals, and pre-pour checks.

Civil Site Engineer | Aug 2022 - July 2023

Aruljothi Infrastructure Private limited | Chennai, India

- Supervised foundation execution, structural column casting, and slab shuttering as per approved structural drawings. Verified rebar fabrication and Bar Bending Schedules (BBS) to minimize steel scrap and material waste.
- Assisted the QA/QC team with preliminary site checks, concrete pour preparation, and Daily Progress Reports (DPR).

Civil Site Engineer | July 2021 - July 2022

Shapoorji Pallonji Engineering & Construction | Mumbai, India

- Executed core structural works including site layout, excavation, formwork erection, and concrete pour operations.
- Checked steel reinforcement alignment and verified Bar Bending Schedules (BBS) prior to consultant checks.
- Managed sub-contractor activities, site workforce, and daily material requirements to maintain smooth workflow.
- Prepared Daily Progress Reports (DPR) and maintained site safety compliance as per company standards.

EDUCATION

B.E. in Civil Engineering | RKDF University, India. 2021

HSE(Science) 12th | Bihar State Examination Board Patna, India. 2016

SSC(10th) | Bihar State Examination Board Patna, India. 2014

SOFTWARE & COMPUTER SKILLS

- AutoCAD: Structural Drawing Reading, Site Measurement & Layout Review
- MS Excel: Daily Progress Reports (DPR), QA/QC Tracking & Material Reconciliation
- MS Word: NCR Preparation, Inspection Reports & Site Documentation
- MS PowerPoint & Outlook: Progress Presentations & Professional Communication
