- analysis
- Problem solving and management
- Agile methodologies

Languages

- Arabic (mother tongue).
- English (v.good speaking & writing).

Certificate of Completion

Is hereby Granted to

Mahmoud Bakr Arafa Nawar

For attending and successfully Completing our training course:

Project Scheduling
Using Primavera P6

December 2024

Trainee went through intensive training that covers the needed topics, and is deemed to have deep knowledge and Practical skills in the field of "Project Management".

A handwritten signature in black ink, likely belonging to the Training Director.

Training Director

Petro Magdy

Name of Instructor

LINK ACADEMY

Certificate number
#LA19508081854

This is to certify that

Mahmoud Bakr Arafa Nawar

Has attended and successfully completed our training program:

CONCRETE STRUCTURE DESIGN

Trainee went through intensive training that covers the following topics & Softwares:

AutoCAD - ETABS - SAFE - Excel

hence Eng.Mahmoud is deemed to have deep knowledge
and practical skills in the field of "Structural Design".
