**Working in Remote area - Network issue please Whatsup**

### Professional Summary

Dynamic and detail-oriented **CAD Operator / CAD Designer** with over **14 years of Gulf experience** in infrastructure, pipeline, civil, and utility drafting. Proven expertise in **AutoCAD, Civil 3D, and BIM COORDINATION**, with extensive background in site-based drawing modifications, hydrotest documentation, and civil coordination.

### Core Competencies

- AutoCAD 2D/3D Drafting
- Pipeline C Utility Layouts
- Civil 3D C MicroStation Drawings
- Hydrotest Drawing Preparation
- CAD Coordination with Site Teams
- Construction Supervision Support
- Team Supervision C Subcontractor Coordination
- As-Built C Shop Drawing Documentation

### Education s Certifications

- ♦ **PGDMA - In Construction Management (Processing )**
- ♦ **Diploma in Mechanical Engineering - 2001-2003**
- **Diploma in AutoCAD - Ramanujam Institute of Computer Science C Technology**
- □ **AutoCAD - Council of Software Engineering**
- ^ **Construction Supervisor (CPD Certificate) - UDEMY**

- **AutoCAD Course** - Indian Institute of Engineering Council
  - **Bim coordination** - AutoDesk - CAD International
- 

## **Project Experience**

**Fisia itaImpianti Saffaniyah, KSA**

### **CAD Designer Cum Bim Coordinator**

 *Oct 2023 - still Working here*

Prepare accurate and detailed **2D drawings** using AutoCAD for architectural, structural, and MEP disciplines.

Create **shop drawings**, **as-built drawings**, and **layout plans** based on engineering input and site conditions.

Participate in **coordination meetings** with consultants, contractors, and design teams.

Coordinate with document controllers to manage drawing submissions, versions, and approvals.

### **Site Engineer / CAD Designer**

#### **Gas Arabian Services, Jubail, KSA**

 *Sep 2022 - 2023 -oct*

- Pipeline drawings per site condition C engineer instruction
  - Hydrotest drawing patch list C support for Hydrotest team
  - Civil 3D drafting with AutoLISP programming
  - Coordination with subcontractors and safety compliance (ARAMCO standards)
- 

### **CAD Operator**

#### **SSEM, KSA**

 *Sep 2021 - Aug 2022*

- Followed engineering drawings and civil 3D detailing
  - Supervised construction drawings and ensured compliance with standards
-

## **Gas Line Draftsman**

**Galfar Engineering, UAE**

 *Feb 2018 - Aug 2021*

- Civil 3D drawings as per site survey Wellhead map drawings and borehole location
  - Daily coordination with surveyor team and reporting to construction manager
- 

## **Senior Design Coordinator**

**Salim Al Joaib, KSA**

 *Jun 2015 - Jan 2021*

- MicroStation to AutoCAD conversion of pipeline layouts
  - Supervised drawing teams and QC support
  - Designed porta cabin and joint detail drawings
- 

## **Senior CAD Operator**

**ABV Rock, KSA**

 *Aug 2012 - Mar 2016*

- Pipeline layouts with coordinates and levels
  - Civil 3D road profiles and section drawings
- 

## **Project Coordinator / Senior Draftsman**

**Ghantoot Gulf Contracting, UAE / KSA**

 *Jun 2008 - May 2012*

- Supervised drafting teams & coordinated with clients
  - Drawing submissions, site issue resolution, and planning
  - Maintained project documentation and site cost reports
-

## Projects Worked On

- ARAMCO s MARAFIQ (KGP, WGP)
  - ADNOC - UAE (Mussafah, ASAB)
  - YASREF, MOI, ABV Rock - KSA
  - DEWA s RTA - Dubai, UAE
- 

## Languages

Language Reading Speaking Writing

English    Excellent   Excellent   Excellent

Urdu        Excellent   Excellent   Excellent

Arabic     Excellent   Good       -

---

## Additional Highlights

- Strong command in **blueprint interpretation** and drawing adaptation based on real-time site conditions.
  - Skilled in **preparing as-built documents**, technical reports, drawing sheets, and CAD data packages.
  - Passionate about integrating field requirements into practical CAD designs that improve construction flow.
- 

## **Declaration**

I hereby declare that the above information is true to the best of my knowledge and belief.

I am available for immediate transfer and open to relocation across Saudi Arabia or GCC countries.

**Signature:**

**Mohammed Abdul Qadeer – ( ABDUL )**
