

# MOHAMED EL SAYED

## Senior Civil Engineer | PMP

Riyadh, Saudi Arabia | +966 53 585 0879 | Mohammed.elsayed51992@gmail.com

### PROFESSIONAL SUMMARY

---

Results-driven Senior Civil Engineer with 12+ years of experience delivering large-scale healthcare, infrastructure, fit-out, and entertainment projects in Saudi Arabia and Egypt. Proven track record managing projects valued \$10M–\$80M with multidisciplinary teams of 250+ staff. Core strengths include structural execution, technical office management, QA/QC, HSE compliance, and subcontractor oversight. Consistently delivers on schedule and within budget.

### CORE COMPETENCIES

---

**Project Management:** Construction Management | Cost Control | Risk Mitigation | Earned Value Management | Procurement

**Site & Technical:** Structural & Civil Execution | Technical Office | Shop Drawings Review | BOQ | Method Statements | RFI Resolution | QA/QC | HSE Compliance

**Leadership:** Team Leadership (250+ Staff) | Subcontractor Management | Stakeholder Coordination | Design Coordination

**Software:** AutoCAD | MS Excel | MS Word

### PROFESSIONAL EXPERIENCE

---

#### Senior Civil Engineer | Haram Al Eamar Company

*Al-Madinah, Saudi Arabia | Jan 2025 – Present*

##### **SEVEN Entertainment Flagship Development – Landscape & Infrastructure**

- Lead all landscape and infrastructure civil works for one of KSA's largest entertainment developments.
- Manage 30+ supervisors and laborers ensuring cost-effective, on-time delivery with zero lost-time incidents.
- Coordinate with consultants and client representatives to resolve design and execution challenges proactively.
- Prepare and review shop drawings, method statements, and BOQ for all civil and landscape scopes.
- Enforce rigorous QA/QC and HSE compliance protocols across all site activities.

#### Construction Manager Assistant | El Noby General Contracting

*Egypt | 2022 – Jan 2025*

##### **New Delta Agricultural Megaproject – \$75M | 65,000 Acres**

- Directed construction of 53 km canals, 110 km roads, 6 bridges, and 2 weirs across a national-priority megaproject.
- Led workforce of 250+ engineers and laborers; delivered 95% of milestones ahead of schedule with 100% budget compliance.
- Implemented cost controls, risk mitigation strategies, and stakeholder engagement plans across the full project lifecycle.
- Managed procurement coordination and subcontractor scheduling to maintain uninterrupted site execution.
- Resolved complex excavation challenges through innovative engineering solutions in coordination with consultants.

#### Senior Civil Engineer | El Noby General Contracting

*Suez, Egypt | 2020 – 2022*

##### **El Galala University Hospital – \$80M**

- Supervised all structural and civil works; managed a team of 40+ engineers and supervisors.
- Managed technical office functions: shop drawings review, RFI resolution, and method statements preparation.
- Implemented QA/QC procedures that reduced rework by 12%, avoiding costly delays and budget overruns.
- Resolved interdisciplinary coordination conflicts (MEP, fire suppression, HVAC) in suspended ceiling systems.
- Supervised fit-out works across patient wards and clinical areas, ensuring compliance with design and finishing standards.

### **Site Civil Engineer | El Noby General Contracting**

*Sohag, Egypt | 2019 – 2020*

#### ***New Sohag University Hospital – \$30M***

- Executed all structural, finishing, and fit-out works including operating rooms, patient wards, and landscaping.
- Supervised 2 site supervisors and 50+ skilled laborers; delivered full project on schedule and within budget.
- Reviewed and approved shop drawings and method statements ensuring compliance with design specifications.

### **Site Civil Engineer | El Noby General Contracting**

*Minya, Egypt | 2016 – 2019*

#### ***Samalout & Dayr Mawas Hospitals – \$22M each***

- Delivered two healthcare facilities compliant with Ministry of Health standards.
- Managed structural and finishing works: operating theaters, dialysis wards, ICU, pharmacy, and cladding facades.
- Oversaw BOQ verification and quantity surveying activities throughout project lifecycle.

### **Site Civil Engineer | El Noby General Contracting**

*Ismailia, Egypt | 2014 – 2016*

#### ***New Suez Canal Expansion & New Ismailia City – \$10M+***

- Executed 1 km of excavation works for the New Suez Canal Expansion — a flagship national project.
- Supervised landscaping and civil works for Fairuz Club and New Ismailia City central district.
- Coordinated with procurement team for material submittals and site delivery scheduling.

## **KEY ACHIEVEMENTS**

---

- Delivered \$80M+ in healthcare megaprojects in compliance with Ministry of Health standards across Egypt.
- Directed multidisciplinary teams of 250+ staff on Egypt's largest agricultural infrastructure project (\$75M).
- Consistently achieved 95%+ on-schedule delivery and 100% budget compliance across all major projects.
- Reduced rework by 10–15% through systematic QA/QC improvements, saving significant time and cost.
- Achieved zero lost-time incidents on current KSA entertainment project through rigorous HSE protocols.

## **EDUCATION & CERTIFICATIONS**

---

**Bachelor of Civil Engineering** | Higher Institute of Engineering and Technology, El Obour City | 2014

**PMP Certified (Project Management Professional)** | PMI | 2026

## **LANGUAGES**

---

Arabic (Native) | English (Professional Working Proficiency)
