Professional Summary

7+ Years of Experience in Residential & Healthcare Projects. Dedicated and results-oriented architect with over 7 years of experience in delivering innovative architectural designs for residential and medical facilities in both KSA and Egypt. Proficient in Revit, AutoCAD, 3ds Max, Lumion, and Corona Renderer, with proven success in project management, BIM coordination, and creating high-quality visualizations. Adept at meeting tight deadlines, ensuring compliance with building codes, and exceeding client expectations.

Work Experience

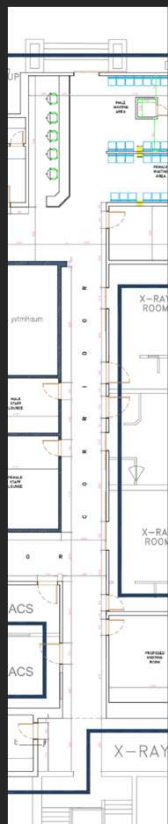

- **HAMSA EL-EMAAR | Riyadh – KSA “Senior Architect “** 06/2024 – Present
- **Idrac Haitham Samir | Cairo – Egypt “Senior Interior Designer “** 06/2022 – 05/2024
- **Toptrack | Port Said – Egypt “Interior Designer “** 05/2020 – 05/2022
- **Ahmed El-Sallab | Cairo – Egypt “Senior Interior Designer “** 11/2019 – 05/2020

Education

- **Higher Technological institute – 10th of Ramadan, Egypt** 08/2018
Bachelor's Degree in Architecture
- **Budapest University – Budapest, Hungary** 06/2016
Sustainable architecture

Key Achievements

- **Successfully delivered 5+ projects in Riyadh, achieving full compliance with local building codes.**
- **Designed and executed custom interiors for high-end residential properties, leading to a rise in client referrals.**
