SUMMARY

Ambitious and dynamic industrial maintenance engineer, specialized in maintenance and electromechanics, I am determined to guarantee optimal availability of equipment. With in-depth expertise in diagnosis and repair, I aim to maximize operational efficiency through proactive maintenance management, thus ensuring the continuity and performance of industrial installations.

SKILLS

- Preventive and corrective maintenance assured.
 - Optimized maintenance procedures.
 - Electromechanics: in-depth skill.
 - Strict compliance with safety standards.
 - Flexibility in the face of industrial changes.
 - Proactive maintenance initiative.
 - Guaranteed efficient repair of equipment.
 - Smooth collaboration with production teams.
 - Knowledge of CMMS software.
 - Advanced expertise in electromechanical troubleshooting.
 - Clear transmission of essential information.
 - Constant search for innovative solutions.
 - Ability to work independently.
 - Knowledge of key performance indicators (KPI).
-

EXPERIENCE PROFESSIONAL

Sarl Corso Ceram , Boumerdes

Industrial Maintenance Engineer

August 2023 - Current

My responsibilities:

- Development of preventive programs.
- Accuracy in identifying faults.
- Effective coordination of teams.
- Inspection of parts and equipment.
- Guarantee of compliance with standards.
- Updating maintenance reports.
- Communication to ensure satisfaction .

Sarl FIAS, Kedara , Boumerdes

Electromechanical Technician

Nov 2020 – Jul 2023

My responsibilities :

- Installation of electromechanical equipment.
 - Accurate fault identification.
 - Adjustment of essential parameters.
 - Diagnosis and resolution of mechanical, electrical, hydraulic problems.
 - Expert use of measuring tools.
 - Close team collaboration.
 - Proposed improvements for efficiency.
-

TRAINING

- Project graduation

The Algerian Airlines.

Theme : Mechanical behavior of laminated composites in bending, seam and notch.

EDUCATION

Masters, 2019

Industrial Maintenance - Electromechanical

University: M'Hamed Bougara

License, 2017

Industrial Maintenance .

University: M'Hamed Bougara .

Baccalaureate, 2014

Experimental Science.

High school : Ahmed Kendil .

HOBBIES

- Sporting activities .
 - Reading.
 - Camping and hiking.
 - Photography.
-

LANGUAGES

- English : Intermediat level.
- French : Intermediat level.
- Arabic : Mother Tongue.
