PROFESSIONAL SUMMARY

I am an energetic, ambitious Civil Engineer who has developed a mature and responsible approach to any task that I undertake, or situation that I am presented with. As a graduate with 5+ years of experience, 3 years as a **Site Engineer**, 2 year as a design and **Technical Office Engineer(freelancer)** and 2 years as a **Civil Structural Engineer**, I am excellent at working individually or with others to achieve a certain objective on time and with excellence. A civil engineer with a comprehensive background in construction engineering and technology. Graduated from the Egyptian Russian University, specializing in the design, planning, and control of construction projects.

SKILLS
