Architect

+966 591709440

m.mukhu00@gmail.com

Abdullah Ibn Dakhil, Al-Ruwais, Jeddah 23215, Saudi Arabia

## PROFILE

I pursued a degree in architecture at Girne American University in Northern Cyprus, where I have been immersed in a vibrant multicultural environment that has expanded my perspectives on design and its influence on society. I mainly get inspired by the beauty and efficiency of nature's creations, I strive to integrate its principles into my architectural work to improve the quality of life.
