## KEY COMPETENCIES

Problem Solving  
Negotiation skills  
Organization and time  
management

Ability To Read Structural Plans  
Excel & Office Programs  
Structure Quantity and Quality  
Surveying

Using AutoCad  
Using AutoDesk Revit  
Designing on Prokon

---

## PROFESSIONAL EXPERIENCE

**Diar United Co.**

**Jul 2024 - Present**

### Project Engineer

As the project overseer, I was responsible for coordinating activities, managing team members, and ensuring that the project met its objectives and timeline , The project began with a comprehensive assessment of the existing facilities in the parks. This included gathering input from local residents and stakeholders to understand their needs.

Accomplishments:

- Oversee on-site construction and check if it matches the plans .
- Monitor contractor and laborer performance .
- Prepare daily and weekly work plans .
- Identify and resolve on-site challenges, such as material shortages .
- Minimize wastage and monitor material usage
- Work with project managers, and subcontractors to ensure seamless execution.

**E.D.F ( Engineering Decorations & Finishing )**

**June 2023 - Dec 2023**

### Civil Site Engineer

During my training in Irbid, Jordan, I had the opportunity to work with Engineering Decorations and Finishing (EDF) as a Civil Site Engineer. This role allowed me to dive deep into the world of construction and design, specifically focusing on the decoration of newly built apartments.

Accomplishments:

- Conduct site investigations and analyze soil and materials to support the design process.
- Prepare detailed engineering designs, calculations, and specifications .
- Review and approve project plans, drawings, and technical documents .
- Perform structural analysis and design for various types of structures .
- Prepare review and redraft rough sketches along with the engineering team

**GameZone Gaming Center****June 2021 - Aug 2022****Floor Manager**

During my college years, I worked as a floor manager at a small gaming center in Jordan. This role was a fantastic opportunity for me to blend my passion for gaming with hands-on management experience. My responsibilities included interacting with customers, ensuring they had a great experience, and addressing any concerns they had.

## Accomplishments:

- Supervise Staff.
  - Provide Excellent Customer Service to clients .
  - Update and Maintain Clients Data .
  - Develop marketing Campaigns for Properties.
  - Manage inventory .
- 

**EDUCATION AND CERTIFICATIONS****Jordan University of Science and Technology (JUST)**
