### COURSES

**Autocad for Electrical Design**

Exemplar Center

**Electrical Installation for buildings and facilities.**

Exemplar Center

**Electrical Power Systems Equipments testing and commissioning.**

Exemplar Center

**Low voltage Switchgear**

Exemplar Center

**ETAP**

Exemplar Center

### EXPERIENCE

**Abdullah Al-Harbi co. for contracting  
2021 - 2022**

Calculating Electrical loads and Size of cables and electrical tools.

Supervisor for shop drawing implementation.

**Abdulali Alajmi for contracting co.  
Feb. 2023 - till now**

Installing drums, grounding systems and electricity distribution

Electrical Networks Analysis

### EDUCATION

**Sudan University of Science and Technology**

Electrical Engineering

Bachelor's Degree 2020

### LANGUAGE

- English
- Arabic

### SKILLS SUMMARY

Calculating electrical equipments.

Analyzing Electrical Networks using ETAP.

Designing lighting System using Deluxe software.

Implementation of Shopdrawing.

Designing Electrical drawings using Autocad.
