PROFILE

A committed **Safety Officer**, I passionate about caring for the health & safety and ensuring the company which I work for, is fully compliant with all applicable health & safety standards. I am eager to apply comprehensive knowledge of risk assessment, regulatory compliance and proactive safety measures to ensure a secure healthy work atmosphere. My aim to contribute strategic oversight and leadership to enhance organizational safety benchmarks while fostering a culture of employee well-being and operational excellence. I have good oral and written skills and the ability to collect, control, validate and interpret data regarding health and safety issues related them.

ENGLISH PROFICIENCY CERTIFICATE

Mr.Aqib Ali (Registration #: 19-UO-1178) has been a bonafide student of MSc Chemistry at University of Okara, Okara, Pakistan.

It is my pleasure to certify that medium of instructions and examination at this University is English. While studying at this University, **Mr.Aqib Ali** has been examined and found to have adequate knowledge of both written and verbal English. In my opinion, she should have no language difficulty in pursuing further studies at an institution where the medium of instruction is English.
